Our Vision and Aims

ARMIA aims to develop strategies and activities to holistically empower refugees and migrants to take their rightful, acknowledged and supported place in Australian society, to combat social isolation currently in South East Queensland.

Our staff and volunteers are committed to the vision and aims of ARMIA House, are highly qualified, trained and experienced in their specific areas of expertise to provide support for our **Refugee, Migrant and Culturally and Linguistically Diverse (CALD) community.** We also assist the least advantaged mainstream and indigenous persons.
